

THANK YOU FOR BEING PART OF LUMINU BOOKS

You just unlocked something special.

These 25 printable playdough activity cards are a sensory extension of *My First Montessori Pencil Control Workbook*. Designed to encourage hands-on learning through creativity, movement, and play.

These activities help support:

- Fine motor development
- Hand strength and coordination
- Creativity and self-expression
- Early pencil control skills

HOW TO USE

Print • Laminate • Create • Play

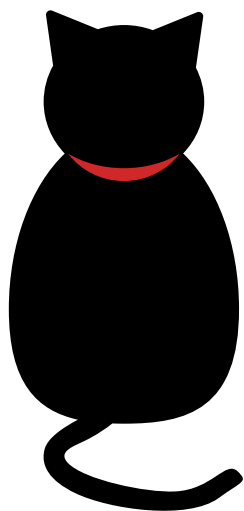

There's no right or wrong way. just explore, create, and enjoy the process together.

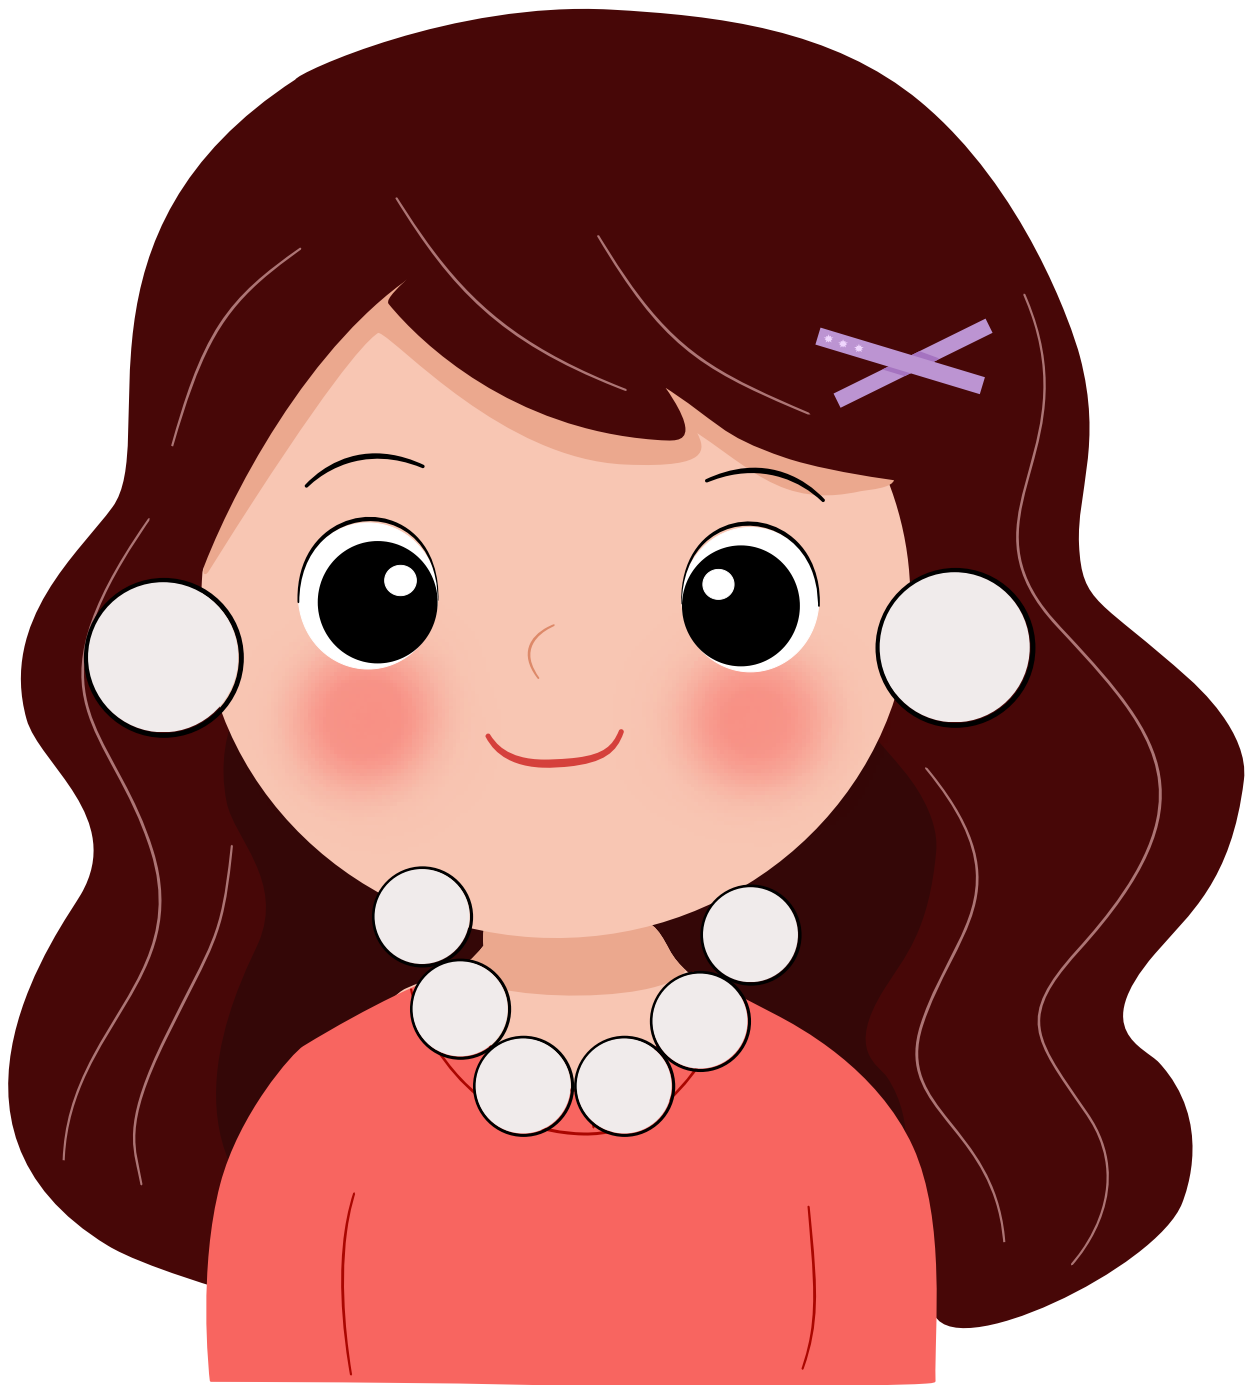

Created by Silvia Toril,
Pediatric Physiotherapist specialized in child development.

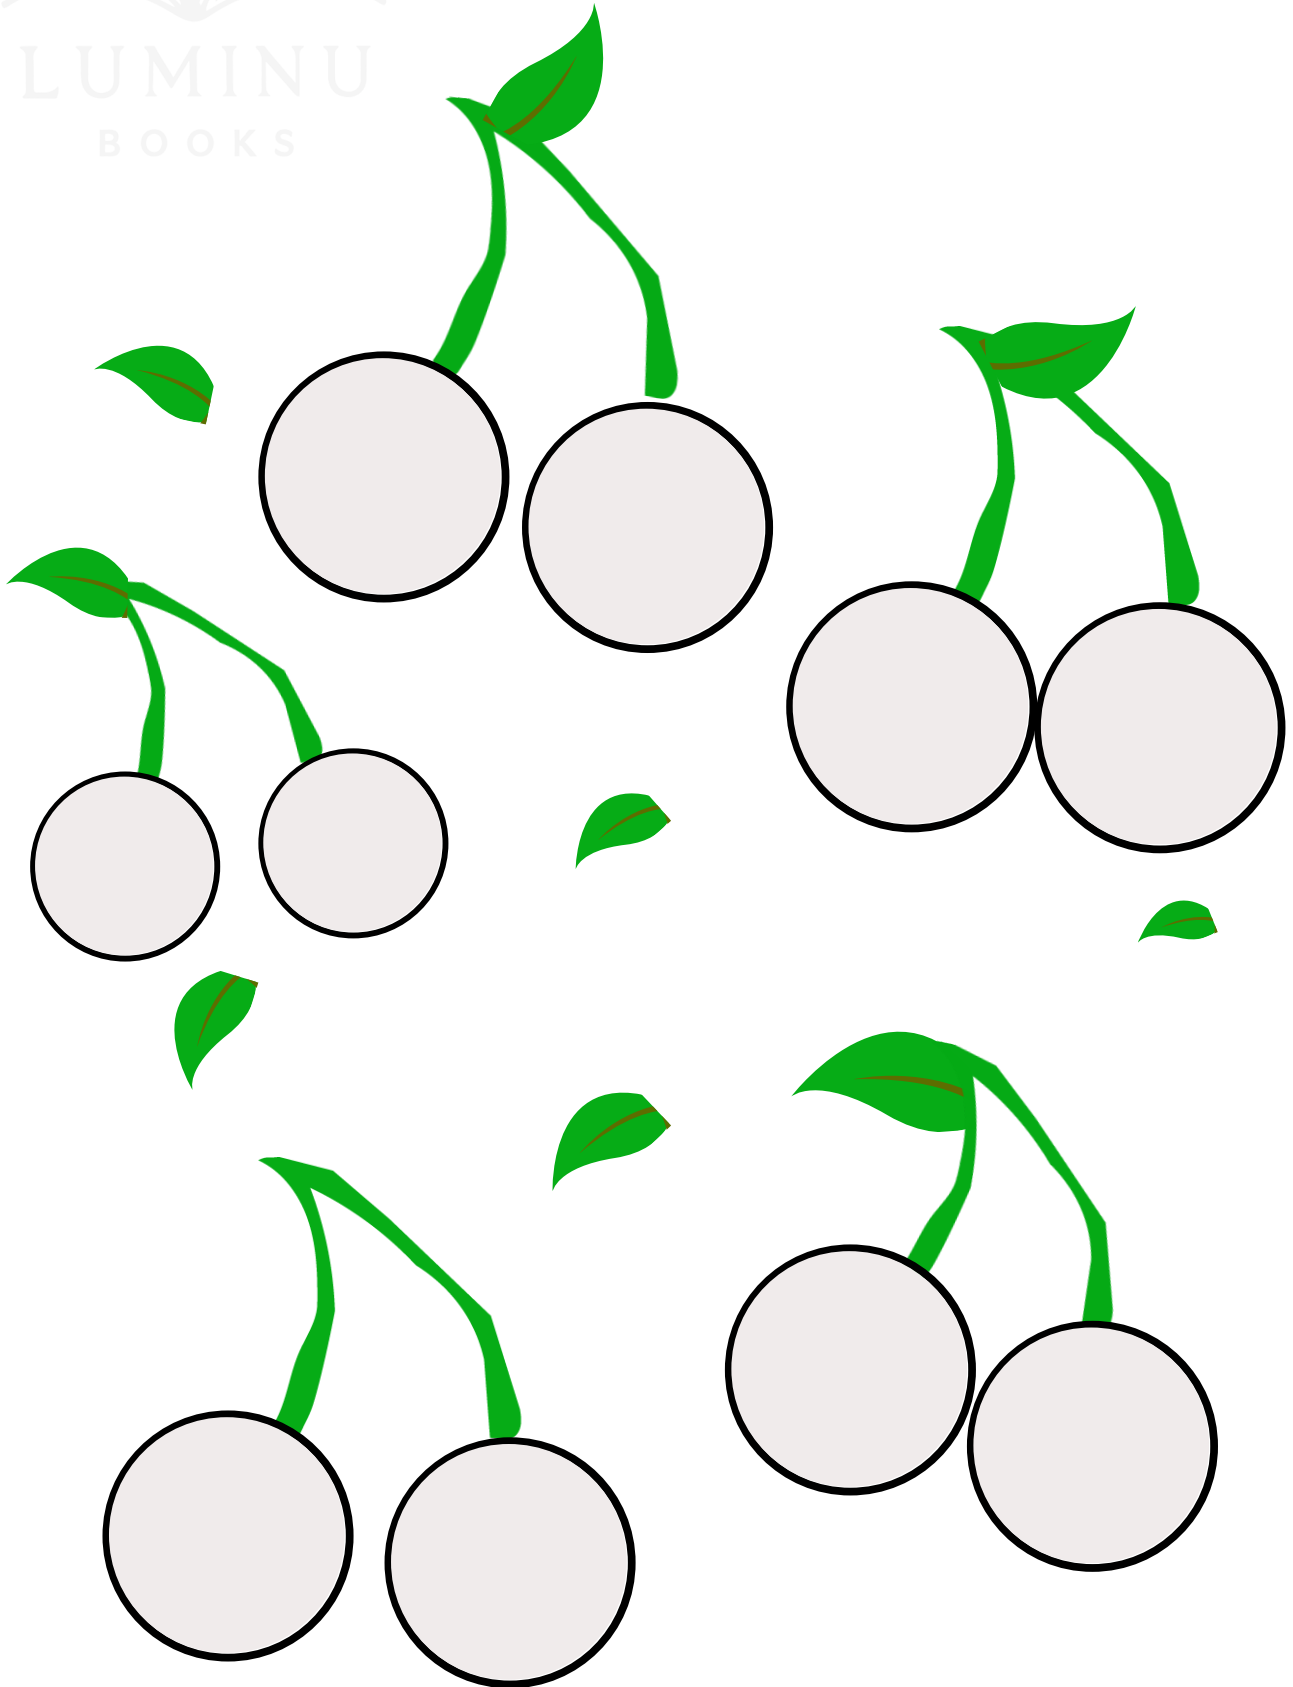

If this resource brought moments of creativity and joy into your home, sharing your experience on Amazon helps other families discover it too.

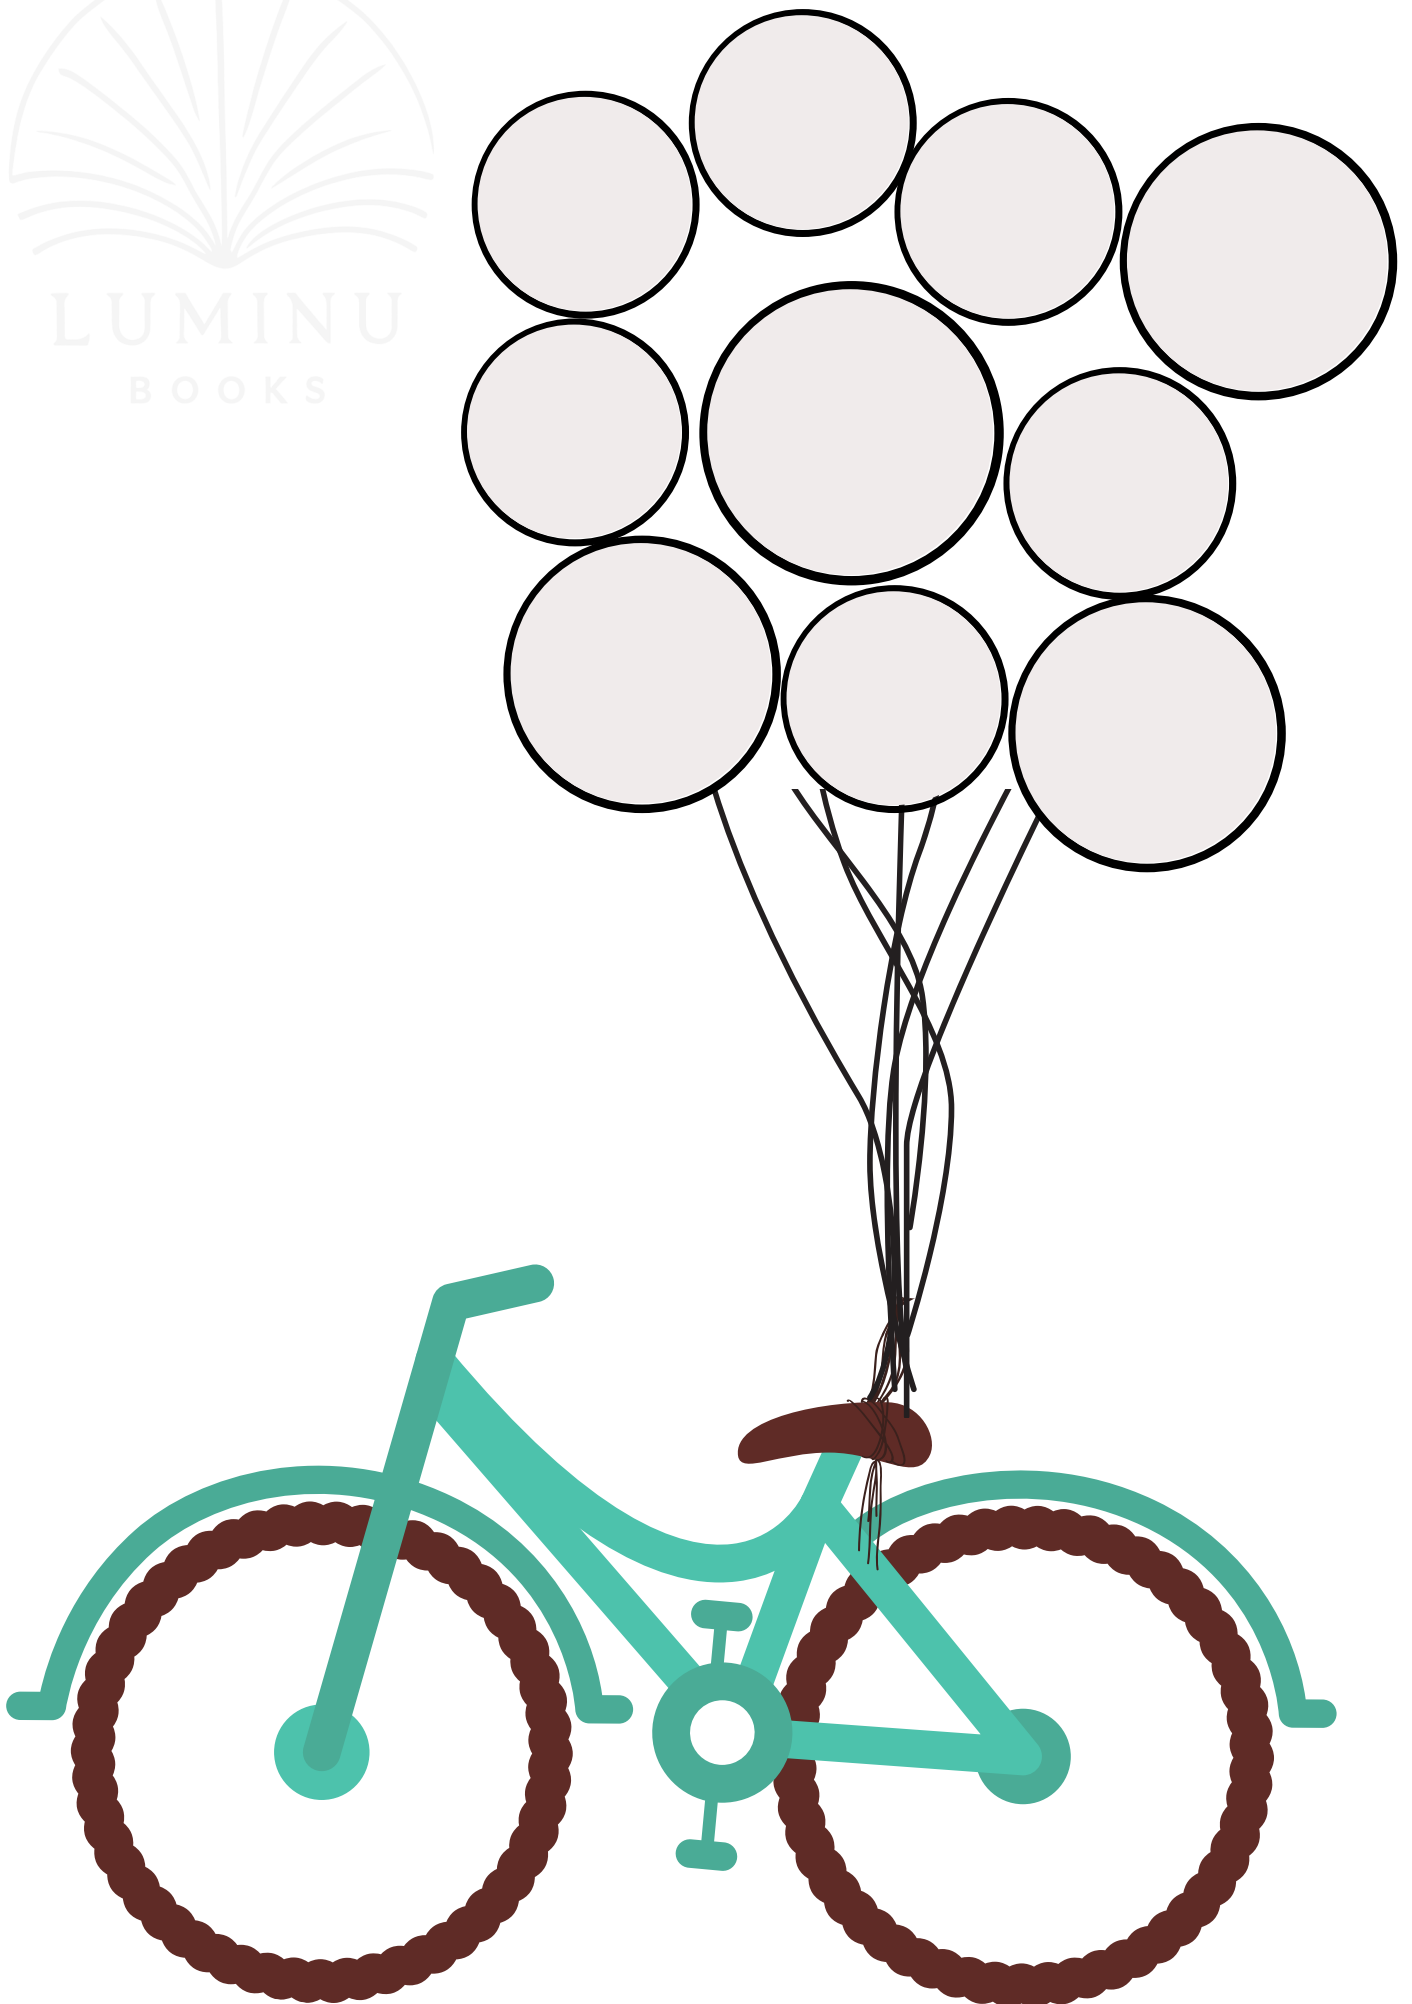

Where every stroke builds confidence.
